

## **2022-2023 Parking Policies for GBS Student Parking**

The Glenview Park District Board of Commissioners is interested in assisting Glenbrook South High School and their parents in finding suitable parking for their vehicles while attending school. The Park Board recognizes that the safety and welfare of Glenview Ice Center patrons and Glenbrook South students requires an official and effective system to control vehicle traffic and parking on Ice Center property.

Because of the safety concern for Ice Center Patrons, GBS students will only be allowed to arrive at the Ice Center parking lot prior to the start of the normal school day, and exit the lot at the conclusion of the normal school day. If a student needs arrive late or leave early for any reason, they must notify the Ice Center office in advance, (call 847 724-2800, M-F 8:30-5:00p) in order to avoid receiving a parking violation and possible loss of parking privileges.
